It is with great sadness that we report the passing of WSSBC Director and Life Member Alexander David Marsh on October 3, 2016 while on a moose hunting trip in northern BC surrounded by his friends.

Dave has been a regular around the hunting and sheep hunting fraternity for a number of years and made some great and lasting friendships within the Society and to say that he was well liked would be an understatement. Dave had a humor and energy that was infectious, many will remember him as the first person to ever wear a kilt to a WSSBC Fundraiser! In his short hunting career he managed to do more than many would in a lifetime. As if he knew his would be cut unfairly short Dave left no stone unturned, no trail untraveled, no skyline unglassed. Dave dove headlong into sheep hunting and quickly took up the conservation cause and made big contributions to wild sheep enhancement.

Dave leaves behind his wife Cory and 1 month old daughter Alexis. Dave's family has set up a fundraising page to support Cory and Alexis through what is undoubtedly the worst tragedy a young family can face (<https://fundrazr.com/davidmarsh>). The WSSBC directors will be contributing to this effort and we hope that Dave's fellow conservationists will too. We are also planning a Dave Marsh Memorial event for our March fundraiser to honor Dave's contributions to wildlife in BC and continue his passion for conservation. We extend our sincerest condolences to Dave's family and friends and hope that they take comfort knowing that Dave was loved by many and lived life 110%. We will miss him.

Yours in conservation,

WSSBC Board of Directors
